# Harrington Hospital Auxiliary

"Neighbors Helping  
Neighbors Since 1932"

## *Greetings from the President*

**Welcome,**

The Harrington Hospital Auxiliary is a dedicated group of individuals who have joined together since 1932 to volunteer their time and services to the hospital and the community.

We work to create an atmosphere of friendliness, helpfulness and goodwill toward all visitors. We financially support programs and services that improve the health status of the hospital as well as the community.

We cordially invite you to join our organization. It is a wonderful opportunity to give back to your hospital and your community by applying your interest, talents and expertise to the varied needs of our hospital routine. You can provide the most precious of all gifts, your time. Your time helps our patients to become more comfortable during a stressful time of need.

We also invite you to join us at our quarterly membership luncheons at local restaurants. They include programs which provide us with an afternoon of entertainment, education and socializing.

Please consider becoming part of a great hospital support team.

*Sincerely,*

**Helen**

## **VOLUNTEERS** **Sharing Moments, Changing Lives**

In times of joy, in times of need  
The Volunteer is there,  
Crafting with a giving heart  
A moment filled with care.

Like springtime in the meadow  
A tender bloom appears,  
Bringing hope to all who see it  
It's the way of volunteers.

They walk with quiet purpose  
Sharing moments on the way,  
Each step of gentle caring  
Leads to a brighter day.

Their world is like a garden  
Where loving kindness thrives,  
And volunteers attend it  
Sharing moments, Changing lives.
