

## Optical Shop

Our full service optical shop is open Monday through Friday. We offer brand name frames like Versace, DKNY, Gucci, Guess and many more.

You will find a variety of transition lenses, sunglasses, bifocals, and other comfortable styles. Plus, come see us for eyeglass adjustments, lens cleaning and frame repairs.

We would also be happy to fill your eyeglass prescriptions.

The Optical Shop at Harrington accepts most major insurances including EyeMed, MassHealth, and Opticare.

PHYSICIAN SERVICES

*Compassionate Quality Care*

**For all your vision  
care needs.**

The ophthalmologists at Harrington take special care with what might be our most valued possession: our vision.

## Treating Patients of All Ages

Our office provides routine eye exams and surgical procedures for all ages.

Our services include:

- Routine eye exams
- Cataract surgery
- Cornea Disorder
- Glaucoma treatment
- Diabetic eye disease
- Misalignment
- Strabismus (crossed eyes)
- Pediatric eye disease
- Pediatric eye surgery

## Our Dedicated Doctors:

Dr. Hugh Cooper is one of the area's few specialists in pediatric ophthalmology. He was the first physician in the Worcester area to perform a multifocal lens implant, the latest development in cataract treatment, resulting in greatly reduced dependency on glasses. Dr. Cooper sees patients in Webster and Southbridge.

Dr. Michael Border sees patients of all ages in Charlton, offering routine eye exams and office visits, as well as surgical procedures. He treats a variety of ophthalmic conditions, including cataracts, glaucoma and diabetic eye disease.

Dr. Border received his medical degree from Jefferson Medical College in Philadelphia, PA and completed a residency at St. Francis General Hospital in Pittsburgh, PA.

Dr. Sara Mahony comes to us from the University of Massachusetts where she served as the Director of the Cornea and External Disease Department.

She received her medical degree from the University of Medicine and Dentistry of New Jersey. She completed her residency at the University of Michigan Kellogg Eye Center followed by a fellowship in Cornea and External Disease at the UCLA Jules Stein Eye Institute.
