**Your Pathway  
to Recovery  
Begins with Us.**

## Who Are We?

Harrington HealthCare has been offering alcohol and substance use treatment programs in southern Worcester County for many years. These services have been the pathway to recovery for adults who are in need.

**We are the most comprehensive program in the area.**

Our patients know they're in good hands when they see us, thanks to our experienced, expert and caring staff, licensed therapists and professionals.

## Who Do We Care For?

We care for patients starting at 18 years old. Depending on the circumstance, we offer a variety of therapy services, including group and family.

*While every case is different, our goal is always the same; we do everything we can to improve our patients' chances for recovery.*

## What Programs Do We Provide?

- Anger management
- Day and evening individual and group therapy
- Co-Occurring Disorders Partial Hospitalization Program
- DUI classes
- Family addiction support group
- Psychiatric medication management
- Intensive outpatient and relapse prevention programs
- Medication-assisted treatment programs

### Suboxone/Vivitrol Treatment

Our suboxone program is an opioid addiction treatment program that offers a combination of opioid replacement medication and comprehensive addiction treatment.

Our Vivitrol program is prescribed for treatment of opioid or alcohol dependence in combination with counseling services. Please call for additional information.

## How Can You Get An Appointment?

To see one of our substance use professionals, call **508-765-2207**. We will set up an Intake Assessment and discuss any additional questions you might have.

## What Payment Options Are Available?

We accept most major private insurances, in addition to MassHealth, Medicare, and Medicaid. If you do not have insurance our staff is available to help you apply for health insurance through the Commonwealth of Massachusetts.

If you need help applying for insurance, we will be happy to meet with you to see if you are eligible and help you through the process.
